- Transfer credit and satisfaction of specific requirements will be determined on the basis of a course-by-course evaluation of the transcript(s).
- Questions regarding equivalency of courses may be addressed to Sarah Fisher in the Willamette University Registrar's Office at sfisher@willamette.edu

***Contacting Willamette at the beginning of your second year at CCC will contribute to a smooth transfer process.**

NOTES:

1. One Willamette credit is equal to four semester hours or six-quarter hours. Thirty-one Willamette credits are required to graduate from Willamette. Willamette accepts a maximum of 96 quarter credits in transfer. To be accepted in transfer, coursework must be completed with at least a C minus (C-) grade and must either be similar to courses offered at Willamette or taught in a department similar to one at Willamette.
2. Students who earn the AAOT (Associate of Arts Oregon Transfer) are awarded credit for 1 Writing Centered credit and four Liberal Arts Distribution credits. These students will be awarded for Study in a Language Other than English if they take courses at or above the 103 level (seen note 3). They may, upon review of their transcripts, also receive some credit toward the Practicum requirement.
3. Requirements for foreign language may be satisfied by: 1) demonstrated proficiency through testing, or 2) completion of a second-year level (college) course. Completing foreign language requirements at high school level also requires demonstrated proficiency through testing at Willamette.
4. For fall term admission, new freshmen and transfer students with fewer than 90 credits should apply by April 15 for priority admission and financial aid consideration.
5. No developmental or professional/technical courses are accepted at Willamette.
6. All PE and professional/technical coursework is excluded when computing the grade point average of transfer applicants.
7. CLEP (College Level Exam Prep) credits, prior learning and/or cooperative work experience credits, and correspondence credits are not accepted. See www.willamette.edu/go/ap-ib for information about Advanced Placement (AP) and International Baccalaureate (IB) credits.

Students applying for financial aid for Fall Semester are encouraged to submit their financial aid application by April 15 to receive priority consideration. Willamette requires the FAFSA (Free Application for Federal Student Aid). Applications are available in Chemeketa's Counseling and Career Services or Financial Aid Office.

This guide is subject to change without notice and should not be regarded as a contract between Willamette and students attending Chemeketa Community College. Contact with Willamette University is recommended for most current information.
