Main Campus: 4000 Lancaster Dr. NE Salem, OR 97305  
Brooks Campus: 4910 Brooklake Rd. NE Brooks, OR 97305  
Mailing Address: P.O. Box 14007 Salem, OR 97309

**Chemeketa Community College**  
**Emergency Medical Services**  
**503-485-2131**

**Mission Statement**

Our mission is to improve the quality of life in our community by providing emergency services training and education to our program participants, business and industry, and service providers. A safer community will result from their excellence in delivering quality emergency services.

**Programs Offered**

**Advanced EMT-Hybrid**

The AEMT course (EMT163 and 164) is a limited enrollment program that requires application. The AEMT course starts Winter term of each year, with course completion end of Spring term. Didactic information is delivered in a hybrid fashion that involves live online synchronous lectures, face-to-face interactions, and intense lab skill practice. Both lab and clinical experiences require significant preparations and time commitment. Labs will be intense weekend labs focusing on formative and summative lab deliveries. All labs are mandatory. Clinical rotations will be both in hospital and in the EMS response system. Hospital clinical rotations and EMS experience can vary depending on experience but will be a minimum of 24 hours. Successful completion qualifies the student to take the National Registry examinations for licensure as an Advanced EMT.

**Who is Eligible to Apply**

The Advanced EMT is a limited entry enrollment with an average of 24 students each cohort. The program accepts students in Winter term. Applicants must meet the following criteria to be considered for a position in the class:

1. Applicant must be licensed as an Oregon EMT with good standings.
2. Currently employed or volunteering with an EMS agency and/or health care facility (ex. Hospital, clinic, or urgent care).
3. Current **AHA BLS** card with expiration that is after June of the course year.
4. Letter of recommendation from a current supervisor and/or training officer that is able to speak to your character and the ability to support your success.
5. Current driver license that is valid
6. Current high school diploma or equivalent
7. All vaccinations current and/or completed prior to designated due date in the application. (See attached form). Chemeketa does require COVID vaccinations to participate in our clinical rotations that are required for course completion. Exceptions and waivers are not allowed at this time.

## Admission Prioritization

The following will be considered when selecting and prioritizing applicants for the program.

1. Completion of admission application packet (your packet will be evaluated for completeness, compliance, and ability to follow directions)
2. Completed vaccinations upon application due date.
3. AHA BLS card with acceptable expiration date
4. Work history
5. Endorsement Letter from EMS Chief/CEO/Chief

## Estimated Program Cost

This is an estimated cost of the Advance EMT. For a more complete breakdown of cost, you are welcome to inquire with faculty. Please be aware this is an estimate and the actual cost per individual may vary depending on several factors.

- AEMT Tuition (\$99 per credits + \$37 fee=\$136 per credit): \$1,096.00 (Subject to change)
- CTE Class Fee: \$15-\$20 per credit: \$120-\$160 (Subject to change)
- AEMT Lab fees: \$921 (Subject to change)
- AEMT textbooks (variable): \$70.00-\$180.00 per term (**Charged upon admission. Candidate may not opt out of this fee.**)
- Vaccination cost (variable on needs): \$1110.00
- Uniform/PPE equipment/Physical (variable): \$300.00

**Estimated Total: \$3,700 (variable for each student)**

### **After course completion cost: *These fees are not included with the program cost***

- State licensure: \$165.00
- National Written Exam (Pearson Vue): \$110.00
- National Practical exam (variable on location): \$50.00-\$200.00

**Estimated total: \$475.00**
