

Peer Support Specialist, Adult Addictions, Application Fall 2025

Course Overview:

This is a 40-hour, 5-week course approved by the Oregon Health Authority (OHA). The Peer Support Specialist, Adult Addictions program will prepare participants to deliver services in behavioral health settings to promote recovery and resiliency. It will prepare students for work as an entry-level Peer Support Specialist. It addresses all competencies required for approval as a Peer Support Specialist training program in Oregon. The course will be offered as a hybrid model combining face to face instruction with synchronous and asynchronous online instruction. As required by the Oregon Health Authority students will also complete an Oral Health Training ([OAR 410-180-0365 Oral Health Training Requirements](#)) that will be embedded into the course.

A peer support specialist for adult addictions shall be: (a) A self-identified individual currently or formerly receiving addictions; (b) A self-identified individual in recovery from an addiction disorder who meets the abstinence requirements for recovering staff in alcohol or other drug treatment programs.

- Adult Addictions: A person in addiction recovery who provides support services to people seeking recovery from addiction.

Successful completion qualifies individuals to apply for certification through the Oregon Health Authority to become a Peer Support Specialist. Completion of the course is one of the requirements to become a Peer Support Specialist, the following additional requirements have been put into place by the Oregon Health Authority. All of which must be completed to become certified.

[Oregon Health Authority requirements for certification:](#)

- Completion of an OHA approved PSS course
